Dear Kipp,

Congratulations! Your high academic standing in the College of Engineering permits the Kansas Gamma chapter to consider you for membership in Tau Beta Pi, the national engineering scholastic honorary. Tau Beta Pi elects members who have distinguished themselves with outstanding scholarship and exemplary character. Membership in Tau Beta Pi marks a person as a leader among his or her fellow engineers. Eligible candidates must have completed Engineering Physics II with a grade of C or better.

You are invited to a "Smoker" on **Tuesday, February 18 at 7:00 p.m.** in Durland 127. Professional business attire is required. The purpose of the Smoker is to inform eligible students about Tau Beta Pi and to allow them to talk with the officers and active members.

All interested candidates must attend the Smoker. If you are unable to attend but still wish to be considered for membership, please contact me **within 3 days after** the Smoker. Otherwise, your name will be removed from the list of candidates.

We hope to see you at the Smoker! If you have any questions about Tau Beta Pi, please feel free to contact me at 587-8696.

Sincerely,

Nathan Bergman
